

IN THE UNITED STATES DISTRICT COURT
FOR THE WESTERN DISTRICT OF WISCONSIN

UNITED STATES OF AMERICA,

07-CR-052-C

Plaintiff,

v.

FREDERICK G. KRIEMELMEYER,

Defendant.

MOTION TO QUASH TRIAL SUBPOENA

Pursuant to F.R. Crim. P. 17(c)(2), I, Magistrate Judge Stephen L. Crocker, move to quash the subpoena served on me on July 25, 2007 on behalf of defendant Frederick G. Kriemelmeyer and purporting to require testimony from me at the August 13, 2007 jury trial in this case. In support of this motion I cite the June 22, 2007 order in this case quashing the first subpoena that defendant served on me. Although defendant has not used my judicial title in his subpoena, my only interaction with and knowledge of the defendant and this case is in my capacity as this court's magistrate judge. Defendant does not genuinely need my testimony to "verify" my "autograph" on "various-papers" in this case since any document I signed is an official court document. Compliance with defendant's trial subpoena would be both unreasonable and oppressive.

Submitted this 25th day of July, 2007.
